

Neighborhood Plan: Humane Street-Dog Care

Quick Checklist

- Map local dog groups / estimate numbers by area.
- Identify a vet/NGO partner for vaccination and ABC (spay/neuter).
- Schedule a vaccination drive; aim for $\geq 70\%$ coverage.
- Create a feeder rota; fixed clean feeding locations; no leftovers.
- Set up adoption & foster pipeline; promote on social media.
- Record bites and ensure post-bite care awareness.
- Share helplines and cruelty-report channels.
- Budget plan: transport, post-op care, food, meds.
